This is a great time of year to reflect on all that we are grateful for. Here, at *A Place to Grow*, we are grateful for all of our clients, past, present and future. We have found that at the end of each day it is all about the relationships that we create and the ability to enhance our clients' lives by creating these sacred spaces for them to grow in whatever way they choose. **We are showing our gratitude by offering everything in stock at 10% off, so come do some Christmas shopping at *A Place to Grow*!**

We had a wonderful time at the *Remnants of the Past Vintage Show* in Santa Barbara on November 13 & 14. Thank you to all our clients who stopped by to get a hug and support us (you know who you are!). We met many wonderful people who loved what we do in re-purposing salvaged, vintage materials into beautiful works of art.

At *A Place to Grow* we specialize in creating unique outdoor living spaces for you to grow, whether it's a greenhouse to grow plants, an artist studio/meditation retreat to grow spiritually or a hot tub enclosure to grow peace and tranquility. As soon as you are ready to start designing your own unique structure, please respond to this email or call us at 805.704.1155.

You received this newsletter because you expressed an interest in *A Place to Grow* by signing up with us at one of our events or on our web page.

We look forward to talking with you soon!

Dana

## **November's Featured Structure: Los Osos She Shed**

We recently had the opportunity to create this

unique and beautiful She Shed for our client in Los Osos!

We designed and created this shed to fit our client's lifestyle. She loves to garden in her huge backyard, entertain friends and family and also just spend some quiet time out in nature. Her She Shed gives her a place to do all the things she loves. We incorporated a wine bar wall for those times when she has friends over for a glass of wine. Our client selected two beautiful stained glass pieces for the front wall to accent the forest green french doors. This truly is functional art and a place that brings peace and happiness.

To schedule an appointment to talk about creating your very own *Place to Grow* please respond to this email or give us a call at 805.704.1155.

## Unique Materials: Vintage Windows

We recently acquired these unique and beautiful windows from a business associate who sources materials from all over the world. These windows are from an old home that was taken down in India. Each piece of glass in these windows is unique in color and pattern.

These windows will be an amazing accent to a shed with the light filtering through the multi-textured and multi-colored glass. We have many unique vintage windows and doors in inventory right now. Stop by and peruse our stock to get some ideas for creating your own She Shed!

If you would like to talk to us about designing an outdoor room for you and have any windows or other sentimental materials that you would like us to incorporate into it, please call 805.704.1155 or email to schedule an appointment to talk about creating your very own *Place to Grow*!

## We Have Tool Sheds!

As we are heading into winter, one that some are predicting to be a wet El Niño winter, now is the ideal time to get a reclaimed wood tool shed to store all your yard implements to keep them from rusting. Our sheds are custom crafted using reclaimed wood, vintage windows and salvaged corrugated metal for the roof. We also bring in a clear panel on the roof to allow light in so that you can see what you have inside. Each tool shed is custom created by order.

Stop by to see what we have in stock. Our hours are M-F 9-5:00 and Saturdays by appointment.

## 100% Reclaimed Wood Potting Tables Make Great Christmas Gifts!

We are excited to offer unique potting tables that can also be used as outdoor beverage stations for your holiday party!

These lovely tables are perfect for backyard entertaining. They will hold all your holiday beverages with style and stand up beautifully to the weather and spills. Our tables are made of 100% reclaimed wood and have been re-purposed into functional tables that would complement any holiday gathering in your garden.

We offer a delightful selection of these useful, yet artistic potting tables for sale at our shop located at 445 B Prado Road in San Luis Obispo. These tables come in 4' and 6' lengths and make great gifts.

Come by and pick out your holiday table in time for Thanksgiving and Christmas.
