Happy Autumn! September 22, 2016 marked the fall equinox which means that our days and nights are nearly the exact same length, approximately 12 hours each. There are many rituals around the world in different cultures surrounding this day. For example, in China they celebrate the Autumnal Equinox with a "Moon Festival" which celebrates the abundance of summer's harvest. Another example is that the pagans celebrate Mabon as one of the eight Sabbats (a celebration based on the cycles of the sun). Mabon celebrates the second harvest and the start of winter preparations. It is the time to respect the impending dark while giving thanks to the sunlight. I myself have definitely felt the shortening of our days and have been feeling a little like hibernating. I am excited to get my winter garden going by planting lots of root vegetables for soups and salads.

**End of Show Season Liquidation Sale!**

We have reached the end of our 2016 show season and are liquidating our inventory of show sheds! This benefits you in that we are slashing our prices to move these showcase sheds on to their next home.

## Rustic Shed, Discounted!

This rustic, live edge, cabin shed is truly a show stopper! This was truly a team approach as [Pacific Coast Lumber](#) milled the wood for this shed from a Cambria Monterrey pine tree. The tree was brought to us by Cal Fire as part of a program where they wish to carbon sequester as much as possible the dead and dying trees in Cambria. By milling the wood into a tangible end user product, it keeps the carbon in the wood where chipping it or burning it would be releasing the carbon and harmful to our environment.

In addition this shed features a barn door in the front, a vintage door as a drop down bar door and windows from a beloved long time San Luis Obispo resident, Dr. Divincenzo, his beautiful spirit lives on in this shed! This shed measures approximately 9' x 9' with a 3' porch overhang.

**Original Price: \$14,500**  
**Liquidation Price \$11,000**

At *A Place to Grow* we specialize in unique, one of a kind sheds that bring artistry to your space. If you are interested in talking to us about this shed, give a call at 805.704.2161 or stop by our shop at 445 B Prado Road, San Luis Obispo, CA.

## Nantucket Shed, Discounted!

This Nantucket Shed is truly another stopper. The United States Green Building Council Central Coast Division recently awarded this shed the "Green Innovation" award! It is truly a unique and artistic shed that features a dutch door with vintage crystal knob, a drop down bar door on the back wall and many vintage windows on the side walls. The wood in this structure is old, full dimensional wood which is absolutely beautiful! This shed measures 8' wide by 10' deep.

**Original Price \$15,500**  
**Liquidation Price \$11,000**

If you have a space you would like transformed with this amazing shed, please respond to this email or give us a call at 805.704.2161.

## Simply Elegant Greenhouse, Discounted!

We designed a created this Simply Elegant Greenhouse to showcase a lower price point shed that still uses our vintage windows, reclaimed French doors and sliding glass doors.

This shed would make a great greenhouse or just a space to retreat to in order to relax, read, sip some wine or tea and decompress! It features full length windows on both side walls, which brings the inside out and the outside in. If you live in a coastal area, this shed would give you the warmth and protection from the cool ocean breezes. It would also make your orchids very happy! This shed measures 8' x 8' which is the perfect size for a cozy backyard.

**Original Price \$7,500**  
**Liquidation Price \$5,500**
