Calendar of Upcoming Events

We are excited to share with you that we were recently published in the Summer 2016 Collector's Edition of [Flea Market Decor Magazine](#)! In addition, [Romantic Homes Magazine](#) covered us in a feature editorial in their June 2016 edition! This was such an honor for us to get these two nationally distributed magazines to include our sheds in their magazines. If you click on the links above you can purchase the magazines directly from the publisher rather than look for them on the newsstand.

A Place to Grow was a featured artist this month on the [Art Revealed Show](#) with Gayle Rappaport-Weiland, award-winning local artist and teacher. Gayle hosts mini interviews with artists who create art with meaning. We were approached by Gayle after she saw us at the Art in the Park event at the Dinosaur Caves Park in Shell Beach. We had a great time visiting with Gayle and sharing our passion for what we do here at *A Place to Grow*. Please click on the link above to see the interview.

At *A Place to Grow* we specialize in creating unique outdoor lifestyle spaces for you to grow, whether it's a greenhouse to grow plants, an artist studio/meditation retreat to grow spiritually or an outdoor dining room to grow peace and tranquility while sharing a meal with family and friends. As soon as you are ready to start designing your own unique structure, please respond to this email or call us at 805.704.2161.

You received this newsletter because you expressed an interest in *A Place to Grow* by signing up with us at one of our events or on our web page.

We look forward to talking with you soon!

June's Featured Structure: Orcutt Relaxation Shed

We recently had the pleasure of creating this She Shed for our client who wanted a space that she could retreat to in order to relax at the end of the day. She loves collecting vintage furniture and has been saving windows for many years. We were able to incorporate these beautiful windows into her shed. We also brought in some cast iron railings from a historic home in downtown San Luis Obispo. These railings are on the side walls of the structure and are a dark green color which we matched to the dutch door.

Our client filled her space with wonderful collectibles such as the old Coca Cola ice box in front of her shed. She hung lace curtains over the windows and brought plants in around the perimeter. What a beautiful space she has created!

If you have a space you would like transformed using our eye for design and reclaimed materials, give us a call. We'd be happy to schedule an appointment to talk about creating your very own *Place to Grow*, so please respond to this email or give us a call at 805.704.2161.

We Have Beautiful Redwood Slab Tables

We are excited to offer unique, live edge redwood slab picnic tables! These lovely tables are perfect for backyard entertaining or can even be used inside your home. They will provide the space to share meals with friends & family in style! Redwood will also stand up beautifully to the weather and spills.

These tables are made of 100% urban forested wood, which comes from trees that have to be removed from urban areas. Instead of going to the landfill, they are diverted to our mill and custom milled to create various lumber products.

These tables complement any festive gathering in your garden or home!

These beautiful tables are for sale at our shop located at 445 B Prado Road in San Luis Obispo. Come by and pick out your table soon as we only have a couple left in stock!

Happy Client Spotlight: San Luis Obispo Outdoor Dining Room

We caught up with our clients in San Luis Obispo to see how they are enjoying their outdoor dining room. We fondly refer to it as the "Diamond in the Rough" due to the large diamond pane window on the back wall where we placed a stunning stained glass piece in the center diamond! They have truly made this space their own. We found out that our client, Chuck, uses it as a place to smoke his cigars at night or especially when it is raining! He sits in the comfy chairs and enjoys the twinkle lights, all of which helps him to relax and let the day's stresses fall away!

If you would like to talk to us about designing an outdoor room for you and have any windows or other sentimental materials that you would like us to incorporate into it, please call 805.704.2161 or email to schedule an appointment to talk about creating your very own *Place to Grow*!

We Have Reclaimed Wood Potting Tables!

We are excited to offer unique potting tables in

addition to our recycled structures!

This potting table is made of 100% reclaimed wood and has been re-purposed into a functional table that would complement any garden. We offer a delightful selection of these useful, yet artistic potting tables for sale at our shop located at 445 B Prado Road in San Luis Obispo. These tables come in 4' and 6' lengths and make great gifts.

If you would like one of these unique and environmentally friendly tables, please give us a call at 805.704.2161 or stop by our showroom at 445 Prado Road, Bldg. B, San Luis Obispo, CA
